

Secret Cipher

You are a spy! Mission: find the mystery person.
Decode the secret words to read the clues.

A. Subtract 2 from each number. Then use the key to find the letters.

example:

5

 → 5 - 2 = 3 → 3 = C

1. Whose socks are these?

22	10	7	27	20	7	15	3	20	22	27	21
